

## Airlift

Yes, this is how the **Coast Guard** practices in landlocked states. But here, it's part of the renovation at 4104 N. Harlem Ave. in **Norridge**, which included using a helicopter to install a new **HVAC system** at 5 a.m. **Englewood Construction** is working on an open store renovation at an **Express**. Half of the 13k SF store will remain open to the public over the five-month renovation, says Englewood's **William Di Santo**. (Gives new meaning to an everything **half-off sale**.) Slated for completion this August, Englewood will employ 15 contractors. The store's design is directed by **Shremshock Architects**.
