

## **Englewood Construction begins work on six retail projects in Illinois**

**Published: 20-Apr-2011**

### **US-based commercial construction firm Englewood Construction has commenced construction work on six new Chicago-area retail projects, including an hhgregg store in Joliet, Illinois.**

The construction firm has commenced work on the 21,654 square feet hhgregg location in March 2011. Construction work on the store is expected to reach completion in June 2011. US-based Herschman Architects has provided design services for the hhgregg location.

Recently, Englewood Construction has begun work on a 7,680 square feet O'Reilly Auto Parts store in Wheaton, Illinois. Construction work on the store is scheduled to be completed in May 2011. O'Reilly Automotive Services has provided design services for the store.

The company has also started construction work on a new Advanced Auto Parts store in Crystal Lake, Illinois. The 8,823 square feet location, designed by Shive-Hattery Architects, is scheduled for completion in June 2011.

Englewood, on behalf of General Growth, has commenced work on a new Armani store on the fifth floor at Water Tower Place on Michigan Avenue in downtown Chicago.

Englewood Construction has been appointed by Westfield to commence preparation works at Fox Valley Shopping Mall in Aurora to remove the old John's Garage restaurant to make way for a new Charming Charlie accessory store.

The company has commenced work on a new Mrs Fields/TCBY Yogurt store at Westfield Old Orchard in Skokie, Illinois. The 654 square feet location, designed by BVM Associates, is scheduled to open in May 2011.

Englewood Construction has also announced the completion of 694 square feet The Body Shop store and 14,801 square feet Trader Joes' grocery store in Chicago's Lincoln Park neighborhood.
